

CURRICULUM VITAE

Name: Alireza

Surname: Vakilian

Born in Tehran - 15/8/1966

Marital Status: Married , two children

Work at: school of Medicine , Rafsanjan University of Medical Sciences

University Email : alirezavakilian66@rums.ac.ir

Academic Profile

Academic position: Faculty member of Neurology Department

Academic Degree: Associate professor of Neurology

University: Rafsanjan University of Medical Sciences

Hospital: Ali-Ibn-Abitalib Hospital

Research Center: Non-communicable Diseases Research Center

Member of Rafsanjan PI of Persian Cohort

Orcid: <http://orcid.org/0000-0001-5413-5400>

ResearchGate Profile: <http://www.researcherid.com/rid/A-4106-2011>

Scopus Profile: <https://www.scopus.com/authid/detail.uri?authorId=15833586300>

Google Scholar Profile: https://scholar.google.com/citations?user=_xFYLUAAAAAJ&hl=en

EDUCATIONS

High school diploma: Nikan High school (Sep 1980- Jun 1984)

Professional licensure: Medical Doctor(M.D.):Tehran University of Medical sciences Feb 1985 – Sep 1991

Neurology residency: Kerman University of Medical Sciences (23 Sep 1999-22 Sep 2003)

SKILLS

Laboratory Techniques: Skill Course of transcranial Doppler- 2005 - Shahid Beheshti University (4 months) Loghman Hakim Hospital

CLINICAL EXPERIENCES

9 Nov 2003- Present : Neurology Department, Rafsanjan University of Medical Sciences .Rafsanjan , Iran.

Jan 1996- 22 Sep 1999 : Rafsanjan: Imam Clinic General practitioner

3 August 1994- Jan 1996 : Rafsanjan: Health Organization

22 July 1992- 21 July 1994 : Rafsanjan : Imam Clinic : General practitioner

17 Dec 1991 - 21 July 1992 : TAKAB Hospital : Health organization

MANAGEMENT EXPERIENCES

Head of Ali Ibn Abi-talib Hospital 2010-2014

Dean of Medical School 2017- now

TEACHING EXPERIENCES

-Neurology , 10 Nov 2010 – present , Rafsanjan University of Medical Sciences .Rafsanjan , Iran.

- Neurology , 9 Nov 2003- 9 Nov 2010 , Rafsanjan University of Medical Sciences .Rafsanjan , Iran.

WORKSHOPS AND TRAINING COURSE

1. The National Digital Library Workshop Forum - 20/10/2008 to 18/10/08 Rafsanjan

2. Advanced Research Methods Workshop 8/10/2006 to 10/10/2006

3. The preliminary qualitative research method workshop- 12/15/2007 to 12/17/07 Rafsanjan.

4. workshop of evidence-based medicine - Rafsanjan 3/17/07 to 3/19/07

5. English article Writing workshop .Iran - Rafsanjan 14/3/07 to 15/3/07

6. The introductory methodology workshop - 17/4/05 to 19/4/05 Rafsanjan

7. Scientific Writing course , Rafsanjan Decr 2005

8. SPSS educational course , rafsanjan, jun/2006

9. Workshop on Foundations of diagnostic radiology, radiation protection Iran - Rafsanjan 16/2/05 to 17/2/05

10. The education program for Neurology (1) 1/08 (lecture)

11. Parkinson conference – 1/ 09 (lecture)

12. Endnote educational Workshop, Rafsanjan University ,2011.

13. Headache Workshop for general practitioners 21/10/ 2012.

14. Alzheimer's seminar for general practitioners (lecture)

15. Diagnosis , causes and treatment of headache and dizziness Seminar for general practitioners (lecture) -11/2007

16. Poisoning seminar for general practitioners (lecture)

17.Seminar of Approaches to neurologic emergency patients 86(lecture)

18. Multiple Sclerosis Conference – 1/2009 (lecture)

19. transcranial duplex sonography workshop – 3/20 11

20. Secondary Scientific Conference of Student Research Committee ,2010

21. EEG interpretation and application Conference. 2/ 2012 (lecture)
22. Emergency treatment of stroke conference. 11/ 2013 (lecture)
23. fatty liver conference 10/2013
24. Clinical Governance Seminar. Tehran. 1/ 2013
25. Tehran conference of heads of the Ministry of Health Hospitals 22/6/ 2013
26. Retraining seminar of peripheral vascular diseases. 1/2013(lecture)
27. Lesson plan workshop. 22/5, 29/5, 13/6/2014.
28. Vertigo conference .30/4/2014.
29. The meeting of the directors and managers of hospitals, the Ministry of Health (the health package) Tehran , 3/5/2014.
30. Identifying the currents of thought after the revolution workshop 15/10 / 92- 6 hours
31. epistemology 12/06/2014 to 15/06/2014 thought Zyaft. rafsanzan
32. Mahdaviat and end desire workshop 2012, 6hrs.
33. The software move from the perspective of verses and hadiths - November 2014 ,2 hours.
34. Multiple sclerosis conference. Dec 2014
35. Cohort workshops .20 , 21 Oct 2014. Rafsanjan
36. Design of pre-internship exam questions 7 and 6/2/2015 Kerman
37. The aggregation of members of the attract Committee and the general ability sanction Committee of medical universities , Bahonar University of Kerman, South-East public inspection , 12 /2/ 2015.
38. Ethics in research .Nov 2015. Rafsanjan
39. Seminar healthy pistachio and health of pistachio , Sep 2015
40. Case report presentation. June 2015
41. Diabetic Neuropathy conference. Oct 2015
- 42 .Acute stroke treatment . Aug 2016
43. Headache 1&2 . Oct 2016 & Sep 2016
44. Emergency care of stroke patients in pre-Hospital transport. Sep 2016
45. Coma conference. Sep 2017

46. Venous thrombolysis with Actylise Aug 2017 , May2017, April 2016

MEETINGS AND CONGRESSES

- 1- The first seminar of epilepsy and epilepsy-related diseases 2005**
- 2-International MS congress 2005**
- 3- Seminar of diagnosis and treatment of Alzheimer disease 2005**
- 4- The Eleventh Congress of Neurology & Clinical Electrophysiology of Iran in 2004**
- 5- The Twelfth Congress of Neurology & Clinical Electrophysiology of Iran in 2005**
- 6- The 13th Congress of Neurology & Clinical Electrophysiology of Iran in 2006**
- 7- The 14th Congress of Neurology & Clinical Electrophysiology of Iran in 2007**
- 8- The 15th Congress of Neurology & Clinical Electrophysiology of Iran in 2008**
- 9- The sixteen Congress of Neurology & Clinical Electrophysiology of Iran in 2009**
- 10- The seventeenth Congress of Neurology & Clinical Electrophysiology of Iran in 2010**
- 11- The eighteenth Congress of Neurology & Clinical Electrophysiology of Iran in 2011**
- 12- The nineteenth Congress of Neurology & Clinical Electrophysiology of Iran in 2012**
- 13- The twentieth Congress of Neurology & Clinical Electrophysiology of Iran in 2013**
- 14- The 21st Congress of Neurology & Clinical Electrophysiology of Iran in 2014**
- 15- The 22nd Congress of Neurology & Clinical Electrophysiology of Iran in May 2015**
- 16- The 23nd Congress of Neurology & Clinical Electrophysiology of Iran in May 2016**
- 17- The 24nd Congress of Neurology & Clinical Electrophysiology of Iran in May 2017**
- 18-16th Congress of the European Federation of neurological Societies, Sweden, Sept 8-11, 2012.**
- 19-15th Congress of the European Federation of neurological Societies, Hungary Budapest, Sept 10-13, 2011.**
- 20- First International Congress of neurosonology and cerebral hemodynamics 3/12 /89.**

21. **First International Conference on Neurological clinical challenges in Kerman Feb 2014**
22. **11th MS International Congress of Iran Olympic Hotel, Nov 2014.**
23. **7th Iranian Stroke Congress, Shahid Beheshti University Feb 2015**
24. **Second International Congress of strokes Iran, Shiraz, October 2015.**
25. **9th Congress of the Pan-Asian Committee for treatment and research in MS (PACTRIMS) .27-29 Oct 2016 Bangkok, Thailand.**
26. **1st Regional Winter school of Myology. 9-12 January 2016.Kerman**
27. **9th Iranian Stroke Congress. Tehran , Iran. March 2017.**
28. **2nd Summer school of stroke .OCT 2017. Tehran .Iran.**
29. **10th Iranian Stroke Congress . Feb 2018.Tehran Iran.**

RESEARC ACTIVITIES (GRANTS RECEIVED)

- 1.The results of immunological tests in MS patients referred to the MS clinic of Ali Ibn Abi Talib Hospital in Rafsanjan, (2006 to 2013)**
- 2.Assessing the outcomes and complications of r t-PA (recombinant tissue plasminogen Activator) in acute ischemic stroke patients in Ali ibn Abi Talib hospital in Rafsanjan according to DWI use (2016)**
- 3. Comparison the cerebrovascular reactivity in depressed patients during illness and after recovery in Ali ibn Abi Talib Hospital ,Rafsanjan in 2007**
- 4. Survey the Changes of cerebral blood flow pattern by transcranial Doppler in brain death patients according to underlying causes of brain death in Ali Ibn Abitaleb Hospital Rafsanjan 2007**

- 5. Study the predictive value of heart rate variability (Heart rate variability) in the comatose patient outcome in Ali ibn Abi Talib Hospital ICU .2006-7**
- 6. Comparison of cerebral blood flow by transcranial Doppler in thrombotic cerebrovascular events and transient ischemic attack patients admitted to Ali ibn Abi Talib Hospital with a control group in Rafsanjan 2007**
- 7. Compare HRV and QT interval in comatose patients with normal brainstem function and brain dead patients in Ali ibn Abi Talib Hospital ICU , 2006.**
- 8. Educational needs assessment of general practitioners in the field of Neurological diseases in Rafsanjan (2010-11)**
- 9. Study of vitamin D effect on immunological factors in patients with multiple sclerosis and vitamin D deficiency**
- 10. Survey the epidemiological characteristics, clinical presentation and radiologic findings in head trauma patients admitted to the emergency ward of Ali ibn Abi Talib hospital 2012-2013**
- 11. The study of therapeutic effects in patients with Stroke on the expression pattern of CXC chemokine groups at the level of mRNA and protein, in neurology ward of Ali ibn Abi Talib Hospital .**
- 12. Comparison of mRNA and protein profiles of CXC chemokines in multiple sclerosis patients treated with Avonex or Cinnovex and in group without treatment**
- 13. Comparison of serum lipids (TG, HDL, LDL, TC) in patients with ischemic and hemorrhagic stroke (ICH) Ali ibn Abi Talib Hospital in Rafsanjan.2012-13**
- 14. Survey hemoglobin A1c and its relationship with the severity and extent of ischemic stroke and hemorrhagic in Ali ibn Abi Talib Hospital Rafsanjan.2012-13**
- 15. Investigate the causes of mental retardation in special schools of rafsanjan.2014 -2015**
- 16. Study of Eotaxins in Parkinson patients and control group .2014-2015**
- 17. Comparison of the effects Risperidone , Quetiapine and Vitamin B12 in reducing pain and psychotic symptoms in patients with Alzheimer's disease in the city of Rafsanjan in 2015-2016**
- 18. Comparison of the effects Risperidone, Quetiapine and Vitamin B12 on the serum levels of IL6, IL8 and TNF- α , as inflammatory cytokines, in the patients suffering from Alzheimer with and without psychotic symptoms and control group in Rafsanjan in 2015-2016**
- 19. Comparative efficacy of Quetiapine and Risperidone combined with or without vitamin B12 in the expression levels of CD9 and CD36 on the peripheral blood**

monocytes in Alzheimer patients with psychotic symptoms in Rafsanjan 2015-2016.

20. Evaluating the serum level of CXCL12 and gene expression of CXCR4 in the patients with parkinson disease in comparison with healthy people.

21. Survey of prevalence of opium addiction and cognitive defects in MS patients in Rafsanjan during 2014- 2015.

22. Prevalence of secondary complications in ischemic and hemorrhagic stroke patients admitted to Ali Ibn Abi Talib Hospital in 2014-15.

23. Compare the major psychiatric disorders in patients with epilepsy compared to the general population city of Rafsanjan 2014-15.

24. Study the relationship between the average mean platelet volume in patients with cerebral ischemic stroke severity and extent in Neurology ward of Ali Ibn Abitalib Hospital, Rafsanjan ,2014

25. Survey of depression in patients with multiple sclerosis refer to MS clinic of Ali Ibn Abitalib Hospital, Rafsanjan ,2014

26. The electro-diagnostic characteristics of uremic patients in dialysis ward of Ali Ibn Abitalib Hospital, Rafsanjan ,2013-4

27. The effect of routine treatment on serum levels of chemokines CCL3,4,24,26 in stroke patients ,2013.

28. Intracranial and extracranial vascular stenosis evaluation in stroke patients admitted to the Ali ibn Abi Talib Hospital

29. Demographic , clinical and paraclinical characteristics study in Patients with Multiple Sclerosis in Ali ibn Abi Talib Hospital MS Clinic of Rafsanjan.2013-14

30. The sensitivity and specificity of Durkan , Tinel and phalen tests in diagnosis of patients with carpal tunnel syndrome.2014-15

BOOKS

1-Immunopathology of Multiple Sclerosis . Alireza Vakilian, Hosein khoramdel azad .2017 June. (In Persian)

2-100 questions and answers about Epilepsy, 2006. Anuradha Singh MD.

Translated by Alireza Vakilian, Babak Jafari , 2011. Nashre Ghatreh publisher .
ISBN: 978-600-119-542-6.

Positions and responsibilities

1-Managing director of Ali Ibn Abitalib Hospital 2010-2014

2-Clinical education Deputy of Medical School Sep 2015 – Sep 2017

3- Dean of Medical School. Oct 2017 - now

Educational background

**Doctorate Degree(Medical doctor), Tehran University of Medical Sciences (1984-1991)
3/11/91**

Internship in General medicine (1990-1991), Tehran University of Medical Sciences

**Resident of Neurology (1999-2003) Kerman University of Medical Sciences, Shafa
Hospital**

Board certified in Neurology , Kerman University of Medical Sciences (2004)

Teaching with NEUROLOGY board

1-Neurology theory coarse (2004-present)

2-Neurology practice Training (2004-present)

3-Neurology internship course (2004-present) .

Theses written at university in internship and residency period

**1- Survey of patients with familial Mediterranean fever in Imam Khomeini Hospital, Tehran, in
1991.**

2- HLA class study in patients with myasthenia gravis in Kerman (neurology)-(2003)-

Papers presented at domestic congresses

1. **Neducational needs assessments of general practitioners in Rafsanjan clinics 2010-2011. Vakilian A, Iranmanesh F, Azin H.19th Congress of Neurology & clinical electrophysiology of IRAN,8-11 May 2012. (poster)**
2. **Ultrasound and cerebral vein and sinus thrombosis. IranmaneshF,VakilianA.The first international congress of neurosonology and cerebralhemodynamic.Iran;3-4 March 2011. (poster)**
3. **Prognostic value of heart rate variability in comatose patients. Vakilian A Iranmanesh F. 18th international congress of neurology .Iran; 2011. (poster)**
4. **Comparison of Cinnovex ,Avonex and Rebiff in treatments of relapsing – Remitting multiple sclerosis.Iranmanesh F, Vakilian A. 17th international congress of neurology .Iran; 2010. (poster)**
5. **Transcranial Doppler sonography in recent thrombotic stroke and transient ischemic patients. Vakilian A, Iranmanesh F. 17th international congress of neurology .Iran; 2010. (poster)**
6. **Serum Ca, p and Fe in patients with Parkinson disease. Iranmanesh F, Vakilian A.17th international congress of neurology .Iran; 2009. (poster)**
7. **Heart rate varibility and QTdispesion study in brain death patients Vakilian A, Iranmanesh F, Nadimi AE, Kahnali JA.15th international congress of neurology .Iran; 2008. (poster).**
8. **Evaluation of immunologic tests in patients suspected to multiple sclerosis A Vakilian, A Moghadam Ahmadi 20th international congress of neurology . Iran; 2013. (poster)**
9. **Intracranial hemorrhage and Anticoagulant therapy(Challenge in therapy) Alireza Vakilian ,Farhad Iranmanesh .1th international congress in clinical challenges of neurology.Kerman Feb 2014 (poster)**
10. **Chemokines study during acute phase of Ischemic stroke.Alireza Vakilian ,A Moghadam Ahmadi, G.Hasanshahi. 21th international congress of neurology .Iran;June 2014. (poster).**
11. **CCL3, 4, 24, 26 Chemokines study during acute phase of stroke Alireza Vakilian ,Amir moghadam Ahmadi ,Gholamhossein Hasanshahi, Mehdi Sarsangi ,Roohollah Afsari .7th Iranian stroke congress ,March 2015 .(poster)**
12. **Glycatedhemoglobin in acute stroke AlirezaVakilian, AmirMoghadamAhmadi , Moslem Heidari , Marjan Saeedinezhad 22th international congress of neurology . Iran;May 2015. (poster).**
13. **Comparison of serum lipids levels in patients with ischemic and hemorrhagic strokes (Rafsanjan 2013-14). Alireza Vakilian , Amir Moghadam Ahmdi , Moslem Heidari,**

Mohammad Shamsaddini . 2nd International Iranian stroke congress, Iran , Shiraz .Sep 2015(poster)

14.study of 102 MG patients in Kerman. Alireza Vakilian, Mohammad Ali shafa, Jafar Ahmadi kahnali.11th international congress of neurology 2004 (lecture).

15. Comparison the cerebrovascular reactivity in major depression before and after treatment Alireza Vakilian , Farhad Iranmanesh.15th international congress of neurology 2008(poster) .

16.Factors effective in short time prognosis of hypertensive non traumatic ICH. Alireza Vakilian ,Farhad Iranmanesh. 16th international congress of neurology 2009 (poster).

17.Secondary complications in ischemic and hemorrhagic strokes. Alireza Vakilian, Amir Moghadam Ahmadi,Shahrzad Mirhoseini,Hamid Bakhshi.23th international congress of neurology .Iran; May 2016. (poster).

18. Comparison sleep disorders and quality of life in multiple sclerosis patients with relapsing –remitting and secondary progressive pattern Alireza Vakilian, Hamidreza Nikyar, Bahareh Molaei 24th. International congress of neurology. Iran; 2-5 May 2017. (Speaker)

19. The process of launching venous thrombolysis in Rafsanjan University of Medical Sciences.Sep2016- Dec 2017 . Alireza Vakilian.10th Iranian Stroke congress.Iran;Feb 2018 (poster).

Papers presented at the foreign Congress

1.Hamzei-Moghadam A, Iranmanesh F, Vakilian AR. Serum Ca and P of patients with sclerosis multiple.5th congress of the Pan-Asian committee for treatment of multiple sclerosis. China;2012. (Poster)

2. Hamzei-Moghadam A, Iranmanesh F, Vakilian AR .Epidemiology of multiple sclerosis in Rafsanjan: South of Iran MULTIPLE SCLEROSIS JOURNAL, vol. 19, no. 5, pp. 650-650. 1 OLIVERS YARD, 55 CITY ROAD, LONDON EC1Y 1SP, ENGLAND: SAGE PUBLICATIONS LTD, 2013.(Poster)

Research Interests

- 1-Intervention in stroke treatment**
- 2-Study and treatment of dementia**
- 3-Multiple sclerosis Treatment**

Awards Received

- 1-Encourage for participation in the medical camps, community treatment of people in deprived from the university president and the commander of the Basij in 2011,2015**
- 2-Educational incentive, the dean of the university medical certificate dated 11.06.2012 No. 142**
- 3- Incentive Ali ibn Abi Talib Hospital Chief Certificate No. 554 dated 18/05/2009**
- 4- incentive of Vice - President of the University of Medical Science Certificate No. 402- dated 12/05/2009**
- 5- Incentive of vice president Rafsanjan University of Medical Sciences - Certificate No. 1269 dated 6/10/2011**
